TRINITY'S ANNUAL PICNIC – SEPTEMBER 20, 2010

Over 100 people were in attendance at the annual picnic on September 20th to partake in sandwiches purchased from Yellow Sub, fruit salad, veggies, cookies and other delicious foods and beverages. The social event included a raffle of potted mums that were creatively and beautifully painted by kids at Imagine Drop-in Childcare. Cash donations were collected for United Way and totaled 100 dollars. Thanks to all of those who made it out to the picnic this year, and we hope to see you next year!

MAKE A DIFFERENCE

As a nonprofit organization, Trinity's mission is to promote greater independence to families and individuals of all ages by providing quality respite and support services.

Trinity is proud that caregiver support (“respite care”) is a foundation of our agency’s mission. November is National Caregivers Month, a time to recognize the endless contributions and impacts made by caregivers. To highlight the importance of caregivers, Trinity’s annual fund drive will take place during the month of November. Be watching for an opportunity to make a difference by supporting Trinity’s quality respite and in-home services. We’d greatly appreciate your support through financial contributions and sponsorships of Trinity and Imagine families.
